INTRODUCING CA' PIETRA PORTARE

EXPRESSIVE TILES FOR EVERY HOME

The Portare collection is our back-to-basics (but better) collection. Think good value, cost-effective tiles, but bang on-trend.

You asked, and we listened. Portare brings you the essential foundation tiles for any project. A brand-new collection of large format porcelain and decorative tiles alongside some of our bestselling favourites.

The whole thinking behind Portare is about collaborating with our makers to bring together a curated, cost-effective collection which doesn't compromise on quality or design.

The best of both worlds? Absolutely.

PORCELAIN TILES

Robust and refined in equal measure, this is our edit of porcelain tiles that look just like the real thing. From wood-effect to marble-effect and SO. MUCH. MORE.

NATURAL STONE

Totally timeless and totally true to your home,
because no two centimetres of stone are ever
the same.

56. LIMESTONE

Please remember that natural stone is just that – natural; so variation and blemishes are to be expected, as is the need to seal and maintain the material. We have built up a large collection of photography over the years, so head to our website at capietra.com for more images of any of our beautiful natural stones, and be sure to order samples before placing your final order. It is important to make sure your installer has the know-how to work with natural products.
